18.00-19.00	60	Dinner	Dinner	BBQ	Dinner	

Dark blue: Contributions from external speakers

Light blue: Scientific exchange and networking

White: Breaks and catering

Grey: Non-scientific activities

3 Partial participation

If you do not want to take the credits for the Summer School, you can also partially participate in selected programme points. In that case, posters and presentations are welcome but optional. **Registration is required to enable planning.**

4 Posters and presentations

If the participation in the Summer School is to be credited for the qualification program, you have to contribute a poster **and** a presentation.

4.1 Posters

If applicable, you can use your poster of the POLiS Conclave. Portrait format is preferred.

4.2 Presentations

If you give a presentation at the POLiS Conclave, you don't have to give one at the Summer School.

Most likely, there will not be enough time at the Summer School for all participants to give a presentation. The surplus presentations will be held in the PhDs in charge seminar series in the course of the year.

You can choose between several options for the presentations:

- **Single presentation:** 15 min including discussion
- **Joint presentation:** We would highly appreciate joint presentations to showcase collaborations. These will be 15 min + 10 min for each additional speaker including discussion (e.g. 15+10+10 min = 25 min for a group of three)
- **Special session(s) for talks about trouble and failed attempts:**
You encountered problems doing your research? Talks about it in this special session!
Your peers may benefit from your experience or even have ideas how to solve your problems.
Presentation time as above.

5 Accommodation

Depending on the number of participants, some rooms will have to be shared. Please indicate if you would be willing to share a room and who would be your preferred roommate.

As meals are fully covered by the GS-EES, daily allowances (Tagegeld) cannot be claimed. Thus, you can only claim travel and accommodation costs.

Please use the following account numbers for the travel authorization and reimbursement forms:

KIT FE.5430.2001.6772

→ Must be signed by your supervisor **and** C. Punckt

6 External guest

The Summer School is open for external guests.

These will have to come up for the accommodation and catering costs.

Please fill the online registration. You will be informed if you will be admitted to the Summer School after the deadline of the registration.

7 Registration

Please register [online](#)

Registration deadline: 22.06.2023
