Institute _____

I confirm that the above doctoral researcher is perusing his/her doctoral research under my supervision.

I support her/his application to the Graduate School Electrochemical Energy Storage (GS-EES).

I agree to be part of a Thesis Advisory Committee (TAC) composed of another professor and (usually) a technical advisor (post-doctoral researcher / group leader), which will meet at least once a year with the doctoral researcher.

I agree that the candidate takes part in the qualification program of the GS-EES.
